QUEEN ELIZABETH II, 1926-2022

It was with great sadness we learnt about the death of Queen Elizabeth II on 8 September. We mourn her loss and give thanks for her life.

Protocol upon the death of a King or Queen had been rather lost after 70 years but Royal ceremonial duties even reached us in this corner of Their Majesties' Kingdom. On 9 September the Union Jack on the Quay was lowered to half-mast. The only exception to this half-masting over the period of mourning is on the day of the Accession Council which was on 10 September, when His Majesty King Charles III was formally proclaimed the new monarch. The Union Flag and all other official flags had to be raised to full mast sometime between 9.00 and 10.30am on this day and remained at full mast until 1pm on Sunday 11 September, at which time the Union and official flags were returned to being flown at half-mast. The Union Flag on the Quay was then returned to full mast on 20 September at 8am.

We are all grateful for Queen Elizabeth II's long life of service and look forward to the reign of Charles III. God Save The King!

Anne Macro, *Chairman, Orford and Gedgrave Parish Council*

ORFORD SPORTS & RECREATION CLUB

Many thanks to all those members who boarded the coach to Cambridge, for the visit on Saturday 10 September. A good time was had by all, and judging by the comments, a similar event will be planned for next year. Special thanks to committee member Sam Davis, for his organisational skills, and tourist information (catering for all tastes).

The bike meet nights have drawn to a close, but have been a great success this year, so let's look forward to next season.

Events coming up...

- Saturday 1 October, Macmillan Coffee morning, 11am-2pm
- Saturday 15 October, live music from 'Haiden Grigor Band', 8pm
- Friday 21 October, Bingo night from 8pm

Club nights on Friday nights from 7pm, darts, pool, snooker, bar and chat. Come and give it a look.

WARM ROOMS: EASE THE SQUEEZE THIS WINTER

Over the last few months, local community organisations in Orford have been discussing a practical response to help the local community with the rising cost of living and particularly of fuel. Part of East Suffolk Council's 'Ease the Squeeze' programme is to develop a network of warm rooms – community spaces open in the winter. The aim is to bring the community together enabling them to save fuel at home, but also help the people to connect, share skills and prevent loneliness and isolation in the dark winter months.

Orford, Gedgrave and Sudbourne Hall Good Neighbour scheme and St Bartholomew's Church have combined forces, supported by New Orford Town Trust, to open a warm room in Bart's Hall this winter. This complements the Coffee & Chat warm room supported by Orford Sports & Recreation Club.

The Sports & Recreation Club is open on Mondays from 1pm to 3pm for hot drinks, cake and socialising. From Friday 7 October Bart's Hall will open on Fridays from 11am to 4pm with facilities to make hot drinks and toast. Soup will be available to eat in or take away over the lunch period. Jigsaws, games, papers and magazines will be available, and we hope to encourage some community crafting and making activity.

There will be no charge for using any of the facilities and this includes refreshments and transport to the warm rooms.

For further information you can contact the Good Neighbour Scheme 01394 450235. For information about Bart's Hall, or to volunteer contact Caroline Gill 01394 450302

THE ORFORD, SUDBOURNE & GEDGRAVE FLOWER SHOW

And there we go, another fantastic flower show over and done with. The weather smiled on us and the crowds came in, possibly a record attendance. The feedback from everyone has been great with the overwhelming sentiment being that we continue to put on a traditional village flower show and fête, and they are becoming very rare. It's always surprising how far people travel to attend and they do it year after year.

Of course we could not put on such a great show if it were not for the numerous volunteers. There are far too many to name individually but you, and more importantly we, know who you are...

- To the Committee who work tirelessly over months to get the show organised, enjoy your time off before we start again for the 2023 show.
- To the volunteers who help get everything ready on the Friday, man the gates and the stalls on the Saturday and the take it all down again on the Sunday.
- To all the Friends without whose generous donations the Show could not run.
- To the Orford General Store for getting up early to make the Friends reception lunch and to those whose served it in the marquee.
- To Greenwell Farm Estate for the loan of men and machines to help build the show and take it down again.
- To the Sports and Recreation Club for keeping us fed and watered.
- To our first aiders and local fire crew for keeping us safe, and finally,
- To the Orford Meat Shed for providing the very important bone for the dog races.

Apologies if I have missed anyone, but thank you all, it is very much appreciated.

It has always been the case that after deducting the costs of running the show and retaining some funds to help run next year's show, any surplus would be made available for local projects and good causes and there will be more on this in a couple of months' time. Please visit us at www.orfordflowershow.org and on social media #orfordflowershow to see and share photos from this year's show

Gary Wingrove, *Chairman*

DONATIONS TO THE FIRE FIGHTERS CHARITY

On behalf of the crew of Orford Fire Station I would like to thank all who kindly donated to our street collection held in the village and at the Flower Show on 27 August in aid of The Fire Fighters Charity. A total of £307.99 was collected. We would like to thank Orford General Store for continuing to have a collection on their counter, also for The Fire Fighters Charity. The tin was emptied and contained £70.05, thank you to all who donated there.

2022 POPPY APPEAL

The 2022 Royal British Legion (RBL) Poppy Appeal will commence in the last week of October. Poppies and other RBL products and donation tins will be available at the shop, in the churches and pubs, and elsewhere. It is not intended at this stage to do house to house collections; these have not been conducted since 2019 owing to COVID 19 restrictions and I believe they are no longer popular, either with householders or volunteer collectors. However, if you feel motivated to assist with a static street collection, or help in other ways, please give me a call on 07783 994157 or email me at mikefinney118@hotmail.co.uk. Many thanks.

ORFORD BONFIRE

Just a few things to note that are allowed and not allowed on this year's bonfire. Items allowed are things like garden waste and untreated timber. Items NOT allowed are things like sofas, fabrics, plastic, wood chippings, roofing felt, tyres, etc. Thank you.

ORFORD OPEN GARDENS 2022 HAILED A SUCCESS

Sunday 26 June was a bright, breezy day for Orford Open Gardens 2022. Around 250 people enjoyed visiting thirteen beautiful private gardens, some that had opened before and some that opened for the first time this year. Visitors were also able to discover Orford's guerrilla garden behind Bart's Hall, cool off with refreshments in church and browse at the plant sale kindly hosted at High House. The event raised £2,200 for the Friends of St. Bartholomew's Church, Orford charity.

The organisers extend warm thanks to the garden owners who worked hard to present their gardens in lovely condition, and everyone else involved in the arrangements for the day, whether artwork, publicity, baking cakes, working on the refreshments stall and lending bunting. We much appreciate your hard work in ensuring that the day was a success. Looking ahead to 2023, if you are interested in opening your garden for the first time next year, please do contact us on 0771 341 3494.

ORFORD TENNIS TOURNAMENTS 2022

Unlike last year, the weather was beautiful and sunny for the Ladies Doubles Tournament this year which took place on Tuesday 23 August. The winners were Susie Callaghan and Sheena Barrow.

There were six couples playing in the Mixed Doubles Tournament on the following afternoon, 24 August, and in beautiful weather which didn't include the usual horse flies that are attracted to nice warm bodies on the court. It was the usual fun event and the winners were Martin Fletcher and Susie Callaghan. Thanks to all the players for taking part.

We are planning to get the multi-court renovated next Spring, once we have raised the necessary funds, so hopefully the school children will be able to use it more, when they don't have cracks and holes to dodge. Season tickets now cost £75 which includes all members of the family and can be obtained from me. My email address is dianampaterson@btinternet.com

SUDBOURNE HALL CRICKET CLUB

Firstly, the Sudbourne Hall Cricket Club dinner returns! This will take place at Orford Town Hall on Friday 28 October, 7 for 7.30pm. After a gap of social activity through COVID, it'll be a great event and a chance for the whole club and supporters to get together. Please contact either Nick Joel or Richard Bramley if you'd like to attend. £20 per person. nick.joel@me.com, RBramley@woodcockandson.co.uk

As the nights begin to draw in and the leaves start to fall, we reflect on a disappointing season on the pitch for 'the hall'. Relegation was confirmed midway through August and the team finished with 3 wins and 18 defeats with one game conceded. Disappointing, but I think we accepted that the league had strengthened with the addition of ambitious clubs like Bardwell (with an overseas professional) and Chappel and Wakes Colne.

With the squad we have, we will be competitive in Division 7 of the 2 Counties league next year. It is definitely a chance for a 'reset' within the club and as I speak, plans are starting to come together to reintroduce some youth cricket and broaden our horizons, more updates to follow through the winter months.

However, the season did have its high points with centuries from skipper Ed Robson (107 not out v Chappel) and Patrick Ritchie (107 v Earl Stonham). It was also very encouraging to see some highly credible performance from our younger players. (Arthur and Wilf Milligan, Daniel Peck, Robert Mark, Ollie Nisbet.)

On and off the pitch, we've recruited some good people this year and with a decent plan for 2023, we are all optimistic about what lies ahead. We hope we can put a solid structure of 'volunteers' together to underpin this great club and move it forward.

HELP PLEASE!

On visiting the grave of my late husband, David, in the churchyard recently, I noticed that someone has taken or moved something from in front of the flower urn. My three grandchildren painted a plastic dragonfly each and these were put on sticks at the front. We are very upset that these have gone as a lot of thought went into them. If anyone knows where they are or comes across them, please could someone give me a call. We would love to be able to return them to their rightful place.

Our Next Event

Thursday 6 October, 7pm for drinks and social, 7.30pm talk: Matt Tanton-Brown 'Plants for the Dry Garden'

After a long summer break from talks, we thought it would be good to for members to have the chance to catch up and to meet some of our new members prior to the event. Matt is one of our long-standing speakers and always draws a crowd. No doubt more than ever when speaking on the topic closest to our hearts just now! He is well known in our local area as he lives here and has run several of the best nurseries very close by. He will be speaking to us about how to make the best choices for our gardens as the climate changes and how to deal with some of the trickier areas of them.

Lucy Skellorn – My Family and Other Irises

In September Lucy gave us a very enthusiastic talk about how she became interested in the irises her great-grandfather, Sir Michael Foster, bred and how she is now gathering them for her Plant Heritage Collection here in Suffolk. She also answered many questions about growing them in our area. She is a Research Assistant at Benton End which has recently been acquired by The Garden Museum and is being renovated and restored. This is where Cedric Morris bred his very special Benton irises. We have a date in 2023 to visit Benton End which is termed 'An artist's residence, an art school and a plantsman's paradise.'

Still to come in 2022:

Thursday 3 November, George Gillespie of George's Gorgeous Gardens Earsham Hall: 'Why are some people green-fingered and some not?' George will talk about our relationship with plants and illustrate it using house plants which will be for sale. He will also talk about propagation and growing of plants.

Thursday 1 December, AGM and Social Supper – always good fun! Do come and join us for this event at £5 on the door or join the Gardening Club for the rest of 2022 for £7.50.

ORFORD GENERAL STORE – AWARD NOMINATION

Once again, we are humbled and honoured to have been nominated in the category of Best Village Shop and Post Office in The Countryside Alliance Awards. As many of you are aware we were grateful winners of the award for the Eastern Region in 2019 after judging and honoured to be invited to attend The Champions Reception at the House of Lords. Voting is being completed slightly differently this year, and at this stage we will need as many nominations/kind words as possible, to then get us through to the overall final public vote and judging!

If at any time you have been pleased with the service you have received, support/assistance from our personnel, or just feel that the shop is an asset to our small community, please may we trouble you to take the time to vote for us upon The Countryside Alliance's website.

Our small team has been a tremendous support to the village during the last two years of the pandemic and has worked tirelessly to continue keeping the shop operational even in the most difficult of trading conditions, and therefore we would like to see them all rewarded and publicly acknowledged for their continuing hard work, support, enthusiasm and loyalty.

Please visit www.countryside-alliance.org/caawards to vote.
